I am not unprepared with the necessity for the re-fixing of the location of courts & the jurisdictions may be altered as required to secure equality in work - I would avoid unduly people having to go to Bangalore - The Bench Dist Judges may consult the files of other courts & direct transfers of such heavily worked courts as Seringapatam with corresponding transfers from such courts which seems the better plan - Any procedure for an equal adjustment of work than that of continual shifting of courts may be tried - we have had recourse to it since the moment the change occurred was, I think a costly & abandoning them. We are again about to repeat that change in consequence which

From,

The Registrar of the
Chief Court of Mysore

To,

The Secretary to the
Government of Mysore.

Sir,

With reference to your Official Memo No. 3393/730 dated 7th instant, drawing attention to Subject No. 353 of the Dussera Representative Assembly Proceedings of 1895 in re "a circuit Munsiff's Court with Head Quarters at Hunsur", I am directed to state that, as the Government has already sanctioned the permanent establishment of 2 additional Munsiff's Courts, one at Bangalore and the other at Mysore, no separate Munsiff's Court stationed at Hunsur would be necessary, if the additional Munsiffs of

Mysore

Mysore were to hold Court at Hunsur for the disposal of cases arising in that Taluk. He might proceed there for the purpose once a quarter or half yearly, or whenever necessary, and stay there as long as may be necessary for the work to be done there and return to Mysore for disposal of such cases as may be transferred to him from the file of the principal Munsiff. This arrangement will relieve the suitors and witnesses of the inconvenience and expense they are now put to by having to travel a distance of 50 or 60 miles to conduct their business at Mysore.

2. As to the Additional Munsiff sanctioned for Bangalore, the Judges are of opinion that he might be stationed at Chennapatna or at Closepett,

and

and given jurisdiction over the Channapatna and Kankanhalli Taluks, as also over the adjacent Malvalli and Mandya Taluks of the Mysore District. This will not only tend to the convenience of parties and witnesses, but will also afford relief to the Munsiffs of Seringapatam and Mysore, whose files are heavy.

3. The arrangements proposed will entail no additional cost upon Government, and, considering that the above proposals would give the required relief to the heavy worked Munsiffs of Bangalore, Mysore and Seringapatam, and tend to the expeditious disposal of work in these Courts, the Judges would strongly recommend them for the favorable

Consideration

consideration and early orders of Government.

4. I am to add that the reference made in your No. 3394/731 of the 7th instant is also disposed of by this letter.

The proposal to have independent powers with the Asst Sessions with small powers & to go on circuit may be adopted at once. The manner is absolutely necessary in the interests of the public - Hunsur Sessions & the disposal of Civil cases and to avoid delay & expense & trouble.

The proposal to depute the Addl Sessions Judge Bangalore occasionally to Hunsur to try and commit such cases as may arise in Hunsur Sessions Division when the Asst Sessions Judge Hunsur is unable to try the same for want of independent powers & also the proposal to locate the Court of the Addl Sessions Judge Bangalore at Closepet for the convenience of the Public & to avoid delay & expense to suitors may be sanctioned.

Sir,

* S.No. 5 in J.71: 125 of 1896

Adverting to para 1 of your letter no. * 45 dated 15th October 1896, requesting to be furnished with information as to the number of suits belonging to the Hunsur Taluk which are likely to accumulate quarterly or half yearly for disposal by the Circuit Court of the additional Munsiff of Mysore, and as to whether the Munsiff is to dispose of Execution and Misc: Cases also during his stay at that place, I am directed to state that the number of suits filed from the Hunsur Taluk is not large, as will be seen from the figures given in the margin. It is only for the trial of regular suits that the Munsiff need hold Court there half yearly for such period as may be necessary. During such periods, Execution Cases and miscellaneous petitions may also be disposed of. But, as a rule, the latter can be

For the year 1895-96 152 Suits

giving an average of 48 Suits in a quarter

disposed

disposed of in Mysore; special cases in which witnesses may have to be examined being reserved for disposal at Hunsur. In this Connection, I am to suggest that it is expedient that the two munsiffs should be given independent jurisdiction, the principal munsiff to have jurisdiction over Mysore Town and Taluk, and the additional munsiff over the Taluks of T. Narsipur and Hunsur and Heggadadevan Kote, to the inhabitants of which Taluk Mysore is more accessible than Nanjengud. Both munsiffs might have Small Cause jurisdiction upto Rs 50/-

2. As regards the information called for in para 2 of your letter under reply, I am to enclose a statement showing the probable number of original, miscellaneous and execution cases which may be filed from each of the Taluks of Channapatna, Kankanhalli, Malvalli and Mandya, and to state that the additional munsiff may be located at Closepett (not Channapatna) and given jurisdiction over the Channapatna, Kankanhalli and Malavalli Taluks. The proposed transfer of Mandya to the munsiff to be located at Channapatna, or Closepett, has been objected to by persons interested, and the

objection

objection that Seeringapatam is more accessible to them is valid, whereas, to the inhabitants of the Malvalli Taluk, Closepett will not be less convenient than Seeringapatam.

3. As regards accommodation for the additional Munsiff of Mysore to hold Court at Hunsur, I am to state that the rooms in the Taluk Cutcherry formerly used by the Munsiff, when there was a Munsiff's Court at that place, are reported to be available, if required again for the purpose.

4. The Deputy Commissioner of Bangalore report that there is no accommodation at Closepett for holding a Munsiff's Court, but that a hall and 2 rooms in the Taluk Cutcherry now used by the Sub Division Officer may be taken up, if that officer is given the Public works Overseers' lodge situated in a corner of the Traveller's Bungalow, together with a room in the said Bungalow for the use of his office and Court. The accommodation proposed by the Deputy Commissioner does not, in the opinion of the Judges, seem suitable. A new Munsiff's Court will have to be built, but as a temporary measure the Munsiff will, no doubt, be able to hire a building.

5. Of the suggestions above made as to the division

tension of the territorial juris-diction of the Principal and additional Munsiffs of Mysore and Bangalore be adopted, the additional Munsiffs will have to be provided with a full establishment, the details of which will be incorporated in a proposition statement. Done

Sir,

I have the honor to state that in a petition addressed to this Court the Merchants and Rayats of Anekal represent that they are afraid to come to Bangalore for filing their suits in the Additional Munsiffs' Court owing to the prevalence of plague here and the restrictions of plague prevention rules and that in consequence debts due to them are likely to become time barred, and pray that the Additional Munsiffs' Court may be transferred either to Anekal or Closepett or to Hoskote

permanently or until such time as the plague may cease. I am therefore directed to request the sanction of Government at an early date to the proposal of transferring the Additional Munsiffs' Court to Closepett made in this office No: 6438/254 dated 26th June 1897 and No: 2753/118 dated 8th November 1898.
